GS writes to The Director (HR), BSNL Board regarding consideration of request transfers in the Cadre of AOs [<<CLICK HERE FOR LETTER>>](#)

**12-01-2021**

**On 08-01-2021 GS AIBSNLEA, AGS and CHQ-Auditor met Shri P.K. Purwar CMD, BSNL and discussed regarding:**

a) E-Tender for Planning, Engineering, Supply, Installation, Testing, Commissioning and AMC of 4G Mobile Net Work : We enquired the CMD BSNL about the recent Detailed Notice Inviting E-Tender issued on 01.01.2021, sought proposal through the (EOI) Expression Of Interest from the Indian Companies for Planning, Engineering, Supply, Installation, Testing, Commissioning and AMC of 4G Mobile Net Work.

CMD, BSNL mentioned that as per the approval of DoT on 29.12.2020, BSNL Board has approved the proposal immediately and issued Tender Notification inviting proposal through EOI for the procurement of Equipments, AMC etc., for the tentative 57,000 4G Sites with prior Registration and Proof of Concept (POC) from the Indian Companies interested in participating the upcoming 4G Tender as per the initiative of GOI 'ATAMNIRBHAR BHARAT' to promote Indigenous Manufacturing in Telecom Sector on 01.01.2021. CMD further mentioned that the Bidder or its Consortium Member(s) should fulfill the Technical Proven-ness requirement i.e, experience of Planning, Engineering, Supply, Installation and Commissioning. The Bidder not fulfilling Technical Proven-ness requirement shall be eligible for upcoming 4G Tender if they complete the POC successfully against this EOI.

CMD further told that through this E-tender Notification by Mass Media the message has gone to the nook and corner of India "that BSNL is going to launch 4G services shortly" and hopes that things will be changed in the positive direction very soon.

b) BSNL has to manage MTNL Mobile Net work on outsourcing basis: We enquired about the financial assistance, if any, will be given

to BSNL by the Govt. to maintain MTNL Mobile Net Work in Delhi & Mumbai. We told CMD that we have to invest very huge amount (CAPEX) to put back the MTNL Net Work in order and we have to insist Financial Assistance from the Govt., since BSNL itself is struggling for maintaining its own Mobile Net Work due to heavy financial crunch. CMD, BSNL informed that we have to wait for another one month for completing the formalities and then only we will assess the situation and our Targets.

**c) Free Corona Vaccine to BSNL Employees treating them as Frontline workers:** CMD BSNL mentioned that he has already gone through the letter given by AIBSNLEA in this regard and appreciated our concern for writing such a letter in the interest of BSNL Workers with a copy to Hon'ble Minister for Health and Family Welfare. He assured that he will take up the issue with the Secretary (H&FW) through Secretary (T).

**d) Compensation and Financial Assistance to the family members of deceased BSNL Employees due to Covid-19:** We requested CMD BSNL to consider the Compensation and Financial Assistance to the family members of deceased BSNL Employees due to Covid-19, AIBSNLEA has taken up and requesting for the past 6 months. CMD BSNL mentioned that the proposal was discussed in the BSNL Board Meeting in length but not considered due to heavy financial crunch.

**e) Non remittance of SAB recovered from monthly Salary of Apr' 2020 to Nov' 2020:** We brought to the notice of CMD that SAB benefits in respect of DRs of BSNL recovered from the monthly Salary of Apr'2020 to Nov'2020 has not been remitted to the Concern Authorities, resulting in non receipt of Pensionery benefits by the Retired Officials. CMD assured to look in to the matter.

**f) Restructuring and Regular Promotion in all the Cadres:** GS appraised the CMD BSNL that thousands of Executives already drawing Higher Scales are working in the entry level grade of JTO

**equivalent and waiting for their 1st Promotion for the years together.** Likewise SDE(T)/ SDE(C/E/TF/Arch)/ AOs/ CCS/ PS cadres are waiting for their regular promotions since long. The Promotions are held up by the Management in the name of Restructuring and various Court Cases on Reservation & Seniority issues. AIBSNLEA has continuously pursuing and requesting the BSNL Management for the issuance of Regular Promotion” Orders in all Cadres of all the Streams. We categorically told that AIBSNLEA strongly oppose any look-after arrangement in higher grade but we demand immediate promotions on ‘Regular Basis’.

CMD mentioned that restructuring proposal is likely to be finalized shortly and presented to the BSNL Board for Approval. CMD further told that Management is ready to consider the Promotions in all the Cadres but due to Hurdles created by filing cases in various Courts, Management is facing problems and not in a position to issue Promotion orders in a timely manner and dead lock is continued.

**g) Discrimination in consideration of request transfers of Accounts Personnel:** We brought to the kind attention of CMD that request transfers in respect of Accounts Personnel has not been considered by the Management for the past 7 months in the name of Restructuring, whereas request transfers have been considered in all other cadres. We also explained CMD BSNL about the problems being faced by the Accounts Personnel without family in other Circles for more than 3 years due to Covid-19 and requested him to consider the cases on Humanitarian grounds and issue necessary instructions to the concerned Authorities for issuance of transfer orders. CMD after patient hearing advised us to take up the issue with Director (Fin)/Director (HR) and also assured to looked into.

**h) Compassionate Appointment to the family members of deceased BSNL Employees due to Covid-19:** CMD BSNL mentioned that the

proposal was discussed in the BSNL Board Meeting but not considered due to heavy financial crunch.

**i) Financial Status of the Company and benefits of Tower**

**Company:** CMD BSNL mentioned that the Company is earning Operating Profit (EBITDA positive) in the first half of the F.Y 2020-21 i.e., after 5 years and revenue is slightly increasing. We requested CMD for the disbursement of monthly Salary on the last day of the month. CMD told that our day to day Cash flow is not sufficient for our Operation and Maintenance and this year 2021 also BSNL will face severe financial crunch, since in addition to monthly/quarterly expenditure of Salary, O&M expenditure, Bank Interest, GST, TDS, L.Fee and Spectrum Charges etc., also BSNL is having Liability to pay Rs.3000 Cr to DoT Vendors in respect of Advance received for Bharat Net Projects. In addition to that BSNL is not yet getting any Loan from Banks for CAPEX on the basis of Sovereign Guarantee Bonds or fledging of Monetized Assets till date.

Regarding Tower Company CMD mentioned that BSNL earn several hundred Crores due to non remittance of L.Fee w.r.t. AGR but BSNL is getting very good revenue from the External Projects of Civil & Electrical Wing from Odisha, H.P and other Circles for which separate Escrow Account is being maintained.

CMD requested that each and every employee should work hard to increase our day to day collection/Revenue and follow the Austerity measures instructions issued by BSNL CO scrupulously to control over the Expenditure. We assure CMD BSNL that AIBSNLEA is always support the Management for the betterment of BSNL and finally requested the CMD BSNL to consider the Promotions in all the Cadres so as to boost the morale of the Young Executives in BSNL

**07-01-2021**

**Our beloved CS, CP and ACS ENGG. met with PGM (HR&A) on 05.01.2021 for rectification of fixation of officiating JTOs and pointed out about rule 8 transfer of two JAOs .**

He assure us that the case will be taken up with PGM Finance and he already enquired to officers under his control about any development of fixation case.

our team also pointed out that a large no of medical vouchers which are yet to entry in SAP in r/o retired employees in HQ area.He assured that the case will be looked after shortly.

**06-01-2021**

**Congratulations to all Stake holder of CTD for Achieving First rank in Circle ranking-CM of Nov 2020.**
