**FACTS REVEALED ON 60:40 PENSION SHARING THROUGH RTI APPLICATIONS.**

Viewers are aware about the RTI application made by our veteran leader com Amit kumar Gupta on 60:40 pension sharing issue which revealed the cabinet

approval of this 60:40 pension sharing with BSNL (Uploaded in this site on 10-02-15). Further Com Gupta made a 2nd RTI asking several questions and copies of the note sheets of the relevant file. DOT has replied most of the questions and also supplied 10 pages of note sheets of the relevant file. All the documents are being uploaded now for information of everyone. It is now revealed from the note sheets, that while processing the cabinet memo dated 29-12-2010, mention of the DOT letter dated 5-1-2009 was there including the brief content that if BSNL is unable to pay then Govt. will still pay the pension, in the draft cabinet note (page 60/N) which was subsequently removed from the final draft cabinet note (page 79/N). The reason of the removal is still unknown as DOT has not furnished the in between note sheets from 63/N to 76/N although they are also relevant to the RTI question no 7.

As understood presently DOT is granting only a relaxation on 60:40 pension sharing with BSNL, in the present cabinet note under process for 78.2% IDA fixation for pensioners, and not removing the clause permanently. However we have to be careful and wait for the final order on 78.2%. Further DOT has admitted that they have not consulted BSNL while processing the cabinet Memo dated 29-12-2010. PI Read the documents.
