Com. Kabir Das, GS Officiating JTO Association in his speech requested to settle the long pending issue of amendment of JTO RR to take care of the officiating JTOs.

Com. Amit Gupta, Sr. Veteran Leader and the AGS AIRBSNLWEA in his speech mentioned that retired officer never get any chance to address the Board level officers and thanked the AP circle for giving an opportunity to address the gathering. He demanded 78.2% IDA fixation to the pensioners? for the executives who have been retired prior to 10.6.2013. If it is paid at least for one month prior to the retirement without any arrears, there will be substantial difference in the pension. He also mentioned that the medical facilities for the retired officers are very poor. The bills of pensioners for outside treatment are pending for years together. He thanked GS AIBSNLEA for taking up and pursuing the demand of the pensioners for 78.2% IDA fixation and giving a change to address the grievances in the forum.

Com. Kaushik, GS TEAM, MTNL, Delhi in his speech mentioned that the people joining the Govt. service for the social security and employment security. He has mentioned that there is lack of HR management in the BSNL. Earlier days, the then Govt. were mentioning that the JTOs are the back bone of the organisation. Both the BSNL and MTNL are in loss just because of the wrong policies of the Govt. for which the employees are not responsible. It is for the BSNL management to appraise the case to the Govt. When there is a clear cut direction that 30% benefit has to be granted the reason for not implementing the same is not known. The option in BSNL and MTNL has been given by the employees out of compulsion. The children of the many of the senior have completed engineering

and working in private sector and changing the job frequently without any loyalty to the company. Whereas, these young graduate engineers are having loyalty for which they are being punished by the BSNL management. There should not be any pay difference in the officers between BSNL and MTNL. The pay scale drawing by the MTNL should be immediately paid by the BSNL. He requested to the officers of the board level management to take a decision to grant E2 scale to the JTO/JAO and equivalent officers. He has also mentioned that many of the young officers are leaving the BSNL after serving for 3-4 years and taking training with the expenses of the BSNL due to the wrong HR policies of the BSNL. With the change of time personal management has gone and Human resources management is in force. The work force is not the liability of the management it is the responsibility and asset of the management. He demanded that there should be no disparity between MTNL and BSNL, immediate implementation of 30% benefit to the youngsters and within 20 years the executives entered in E2 should reach to E11scale.

Shri S S Aggarwal, GM (Personal) BSNL CO on behalf of the HR heads of the BSNL management wished best wishes for the joint open session. He mentioned that there was a head of circle conference in the Delhi during last two days and all the heads of Circles are putting their best efforts to revive the BSNL. He mentioned that MoC in the heads of the circle conference has communicated that new Govt. wants the BSNL to perform its best. It is seen that all the board of Directors are working hard for the better of the BSNL and putting their maximum efforts. It was because of these Directors that these many DE posts could get filled by diversion from the DR quota. The management of BSNL is working for the benefit of its employees and public. He agreed that the workforce is the assets of the BSNL. He mentioned that almost all the senior officers are in the verge of retirement and the young officers are only going to run the BSNL in the future. He requested to have faith in the BSNL management, he mentioned that BSNL management is with its workforce. He mentioned that in order to balance out the shortages, there are some transfers in the recent DE regular order which is part of the promotion. He informed that the syllabus of the JTO LICE has been simplified. He mentioned the Com. Prahlad Rai is a matured leader taking care of all the executives.

Shri Kalyan Sagar, CGM NATFM, Hyderabad conveyed all the best on behalf of the E.D. (Finance) who could not attend the function. He mentioned that we have assets and liabilities. The workforce is Human capital. There are as many as opportunities as much of the employees. The brand name of BSNL should be

converted into brand equity with joint efforts. He demanded the BSNL top management to give hope to its employees. As regards the pay fixation of JAO 2010 batch will be taken care. He mentioned that Delloitte consultant has not contacted any of the CGMs before finalizing their report and demanded the BSNL top management to take care of these matters. He mentioned that it is painful to make such report without consulting any of the CGMs. NATFM will support for any cause to strengthen the BSNL management. He also wished best wishes to the CWC.

Shri V Srinivasan, CGM AP Telecom Circle mentioned that he has attended the meeting of the MoC, wherein MoC has informed that Govt. has made many programmes to improve the telecom services in the country which needs step by step progress. MoC also mentioned in the HoCC that BSNL have been losing customers as well as financially. The customer perception about BSNL is not positive. Blaming each other is the human weakness. He has mentioned about the revenue collection and net loss of BSNL. He also mentioned that 78.2% IDA pay has resulting in 110 crore less revenue for the last year in the AP Circle. He mentioned about the status of the ITI and mentioned that when there is no money in the company no association / unions will exist. He also mentioned that it is our responsibility to prosper the BSNL instead of talking about individual prosperity. In the organization for doing work everybody want approval from the boss, but at the same time for taking salary from the bank, they do not want any permission from boss. When we get the salary at the end of the month, it is our personal responsibility to discharge my duty without any direction from boss. The destiny of BSNL is in our thoughts words and actions and we have to see that we create a good destine for the BSNL. Only when we are ready to take temporary pain then only you can get long term gain. He has also mentioned that he has a good co-ordinal relation with the AIBSNLEA team of AP.

Shri Anupam Srivastava, Director (CM/Finance), BSNL C.O mentioned that the employees and the officers are the actual assets of the BSNL. 13000 crore is being paid towards the salary per annum to these employees. He mentioned that he is happy to be here in the joint open session of the AIBSNLEA and AIGETOA. He mentioned that ?H? in the word Hyderabad stands for Honesty and he has started his career in ECIL, Hyderabad.

He mentioned that during his first interaction with the MoC, MoC has mentioned that Govt. has done lot of injustice to the BSNL and now want to improve it and all

the Directors should work hard failing which they will not be spared. He mentioned that if we approach with commitment, success cannot run away from us. He also mentioned that united respective efficiency can lead us to the destination and get success.

He mentioned that AIBSNLEA maintains the website efficiently with entirely details which many of the senior officers visiting to get the information. He also mentioned that there is good transparency in the AIBSNLEA, wherein everybody is allowed to express their views. We have allowed other operators to compete with us freely instead we should have followed the policy of British Telecom who is the operator of the telecom operators, not sharing of copper cable with the private competitors were not right, thirdly not sharing the tower timely.

He also mentioned that now we are growing with negative revenue in the Mobile business and need commitment from the CGMs and his team to install the towers in time to start earning the revenues.

Mobile Data is the future growth of the BSNL and the voice business has gone and the same is taken over by data. The key business is in the Data and the landline asset should be utilized to strengthen the data network. He mentioned that together we can achieve a better future for the BSNL.

Shri N K Gupta, Director (CFA), BSNL C.O informed that Secretary Telecom has convened a meeting on Tuesday afternoon to discuss about the revival of the BSNL. He mentioned that Board of Directors are not the owner of the BSNL, they are also answerable to their superiors. When there is no money with BSNL how can be made the payment. He informed that the day is not far when we have to take loan to pay the salary. We have to increase the revenue from Mobiles services. He mentioned that the BSNL management has good respect towards the young generation and it is for them to see that the BSNL prospects. BSNL management is always having soft corner towards the young generation and wants to consider the demands of the AIGETOA. However, when the financial constraints come on the way, the decisions are delayed.

He mentioned that as per the discussions with the MoC, Govt. is serious about revival of BSNL and MTNL. Because of the security reasons, BSNL should continue for the country. He further mentioned that there is lot of disconnection in Broadband throughout the country which needs immediately action to arrest the

trend. This is one of the major reasons for loss of revenue.

BSNL has modernized the website of BSNL making it more customers friendly and take many services. He told that, implementation of the NGN switch in progress throughout the country, which needs fullest co-operation and action from the executives. He mentioned that some miscreants want the BSNL should not grow by making illogical complaints about tenders and all put allegations on the genuine officers, which we need to take care. He wished all the best to the open session and expected that good decisions will be arrived out of the discussions to improve the BSNL.

GS AIBSNLEA mentioned that before joining of Shri N.K. Gupta, there was no tender available for any of the equipments and materials has started arriving at the field office which gives some relief to the field. He also mentioned that there are loans for procurement of the equipment, and behalf of the executives GS assured the BSNL management that all the executives will work hard and support the BSNL in turn to the Nation. He also mentioned that there are many vigilance complaints against the leaders and the associations will stand with the BSNL management and will not allow any miscreant to damage the growth of BSNL.

Com. Guru Prasad, DGM & President, AIBSNLEA, NATFM, Hyderabad expressed vote of thanks. He thanked both the Board of Directors for attending the function despite of their busy schedule. He thanked CGM NATFM, CGM AP circle, GM (Pers) all other veteran leaders. He expressed his thanks to both the GSs and Presidents of AIBSNLEA and AIGETOA for giving the opportunity to arrange the meeting at Hyderabad. He also thanked Kum. Hari Nitya for her performance. He also entire team of A.P. for their hard work in arranging the meeting. He thanked one and all.

The Open Session commenced at 11.30 hours and ended at 18.00 hours with National Anthem

CWC meeting resumed to discuss the pending items of the Agenda at 18.30 hours. After detailed page wise discussions, the GS report was approved.

The venue for the next CWC meeting is tentatively decided at UP (East) Circle

Regarding viability of BSNL and on HR issues resolutions were adopted. CWC expressed its serious concern against the non-settlement of the pending pressing

HR issues and authorized CHQ to launch organizational action programmes in case the issues are not resolved in reasonable time.

Regarding movable and immovable assets not transferred by the merged DoT recognized Group B officers? associations with AIBSNLEA was serious viewed by the CWC and directed CHQ to take legal actions in this regard immediately.

A resolution was moved by West Bengal Circle and seconded by Gujarat Circle appreciating the Host Circle for their wonderful boarding, lodging, transport and food arrangements and comradely care to the CWC members in making CWC meeting a grand success.

The meeting was concluded with vote of thanks to the Chair. President Com. P. Venugopal declared the CWC closed at 19.30 hours.

MoC also mentioned in the HoCC that BSNL have been losing customers as well as financially. The customer perception about BSNL is not positive. Blaming each other is the human weakness. He has mentioned about the revenue collection and net loss of BSNL. He also mentioned that 78.2% IDA pay has resulting in 110 crore less revenue for the last year in the AP Circle. He mentioned about the status of the ITI and mentioned that when there is no money in the company no association / unions will exist. He also mentioned that it is our responsibility to prosper the BSNL instead of talking about individual prosperity. In the organization for doing work everybody want approval from the boss, but at the same time for taking salary from the bank, they do not want any permission from boss. When we get the salary at the end of the month, it is our personal responsibility to discharge my duty without any direction from boss. The destiny of BSNL is in our thoughts words and actions and we have to see that we create a good destine for the BSNL. Only when we are ready to take temporary pain then only you can get long term gain. He has also mentioned that he has a good co-ordinal relation with the AIBSNLEA team of AP.

Shri Anupam Srivastava, Director (CM/Finance), BSNL C.O mentioned that the employees and the officers are the actual assets of the BSNL. 13000 crore is being paid towards the salary per annum to these employees. He mentioned that he is happy to be here in the joint open session of the AIBSNLEA and AIGETOA. He mentioned that ?H? in the word Hyderabad stands for Honesty and he has started his career in ECIL, Hyderabad.

He mentioned that during his first interaction with the MoC, MoC has mentioned

that Govt. has done lot of injustice to the BSNL and now want to improve it and all the Directors should work hard failing which they will not be spared. He mentioned that if we approach with commitment, success cannot run away from us. He also mentioned that united respective efficiency can lead us to the destination and get success.

He mentioned that AIBSNLEA maintains the website efficiently with entirely details which many of the senior officers visiting to get the information. He also mentioned that there is good transparency in the AIBSNLEA, wherein everybody is allowed to express their views. We have allowed other operators to compete with us freely instead we should have followed the policy of British Telecom who is the operator of the telecom operators, not sharing of copper cable with the private competitors were not right, thirdly not sharing the tower timely.

He also mentioned that now we are growing with negative revenue in the Mobile business and need commitment from the CGMs and his team to install the towers in time to start earning the revenues.

Mobile Data is the future growth of the BSNL and the voice business has gone and the same is taken over by data. The key business is in the Data and the landline asset should be utilized to strengthen the data network. He mentioned that together we can achieve a better future for the BSNL.

Shri N K Gupta, Director (CFA), BSNL C.O informed that Secretary Telecom has convened a meeting on Tuesday afternoon to discuss about the revival of the BSNL. He mentioned that Board of Directors are not the owner of the BSNL, they are also answerable to their superiors. When there is no money with BSNL how can be made the payment. He informed that the day is not far when we have to take loan to pay the salary. We have to increase the revenue from Mobiles services. He mentioned that the BSNL management has good respect towards the young generation and it is for them to see that the BSNL prospects. BSNL management is always having soft corner towards the young generation and wants to consider the demands of the AIGETOA. However, when the financial constraints come on the way, the decisions are delayed.

He mentioned that as per the discussions with the MoC, Govt. is serious about revival of BSNL and MTNL. Because of the security reasons, BSNL should continue for the country. He further mentioned that there is lot of disconnection in Broadband throughout the country which needs immediately action to arrest the

trend. This is one of the major reasons for loss of revenue.

BSNL has modernized the website of BSNL making it more customers friendly and take many services. He told that, implementation of the NGN switch in progress throughout the country, which needs fullest co-operation and action from the executives. He mentioned that some miscreants want the BSNL should not grow by making illogical complaints about tenders and all put allegations on the genuine officers, which we need to take care. He wished all the best to the open session and expected that good decisions will be arrived out of the discussions to improve the BSNL.

GS AIBSNLEA mentioned that before joining of Shri N.K. Gupta, there was no tender available for any of the equipments and materials has started arriving at the field office which gives some relief to the field. He also mentioned that there are loans for procurement of the equipment, and behalf of the executives GS assured the BSNL management that all the executives will work hard and support the BSNL in turn to the Nation. He also mentioned that there are many vigilance complaints against the leaders and the associations will stand with the BSNL management and will not allow any miscreant to damage the growth of BSNL.

Com. Guru Prasad, DGM & President, AIBSNLEA, NATFM, Hyderabad expressed vote of thanks. He thanked both the Board of Directors for attending the function despite of their busy schedule. He thanked CGM NATFM, CGM AP circle, GM (Pers) all other veteran leaders.
