Sub: - Direct recruitment of junior telecom officer (Telecom) (JTO-T) for the year 2015-16 from open market.

Ref: - Office Order No 12-2/2016.Rectt. dated 06.05.2016 issued by the Recruitment Cell of BSNL CO New Delhi.

Respected Sir,

This has the reference to the subject and office order mentioned above. In this regard this is to inform that BSNL CO vide letter No 12-2/2016.Rectt. dated 06.05.2016 has issued a proposal for recruitment of JTO-T (Telecom) from open market for the year 2015-16. In that order, quite surprisingly, it is observed that the proposed vacancy to be filled up by the recruitment for Kolkata Telecom District is shown as 1 (One) only whereas the vacancy position is showing 793 (including the vacancy position of non recruiting circle like ITPC Kolkata). There are almost 20 long pending Rule 8 transfer cases in CTD which couldn't be settled due to want of substitute and it was assured that in the next JTO recruitment the Rule-8 cases would be considered and recruitment will be done accordingly.

In this scenario kindly take up the matter with the concerned unit of BSNL Corporate Office, so that at least some JTOs can be recruited in CTD to meet the operational requirements and to settle the long pending Rule 8 transfer cases.

Thanking you

Yours faithfully

(PRASUN KR. MUKHOPADHYAY)
